

# WHAT'S IN IT FOR YOU?

Trinitas Creative Studios LLC is committed to supporting charity. By partnering with us, your Parish will benefit from our donations while simultaneously helping to promote our brand.

We will provide you with a unique discount code on our website, offering your parishioners and supporters 10% off their entire order. In return, we will track the sales generated through the promotion and donate 10% of the total net sales back to your Parish.

We will also provide you with an X-banner to display inside the Parish and 500 branded cards to hand out with your discount code printed on them to help you get the word out. We will also give you a shout out on our social media pages.

# ARE THERE ADDITIONAL PERKS?

Upon becoming a partner of Trinitas Creative Studios LLC, regardless of product sales associated with your discount code, we will extend a goodwill sponsorship donation towards one of your fundraising events, valued up to \$100, within the first year of our partnership. *\*See agreement for details*

As an additional incentive, if your nonprofit generates more than \$10,000 in annual net sales, we will host a tournament at your location or at a nearby suitable venue. We will donate 25% of the total tournament revenue, including paid participation fees, card sales, and any donations received during the event. Promotion of the tournament will be a shared responsibility between both parties, much like the benefits.

# WHAT DOES THIS COST?

This partnership will incur no financial cost to your Parish. We will ensure your discount code remains active and will continue to donate to your Parish for as long as both parties agree to maintain the arrangement.

The level of involvement in this partnership is entirely at your discretion.

# HOW TO GET STARTED?

Upon the signing of the Partnership agreement, we will set up your discount code, begin promoting your Parish on our social media platforms, and list your Parish as an endorsed partner on our website.

Responsibility for any additional promotion of the discount code or partnership outside of the initial provided marketing materials and social media posts is on your Parish.
